ACCSO AGM 2020

Secretary-General's Report

The most unusual of seasons. The great efforts made to prepare for the usual competitions were eventually beaten by the measures required to stay safe from Covid-19.

All 10 expected teams had signed up and quite a number of players had their license before the confinement in March focused minds firmly on how cricket might be played in France during 2020.

Despite all the determined efforts, it proved to be just too much for some clubs to follow the essential measures to keep their players and those people visiting the club as safe as possible from the virus. With others having no ground of their own available all thoughts of competition in 2020 were abandoned in late June.

Having put in a great deal of effort to make ready the 2020 Calendar and Regulations, I am proposing that:

- ❖ The 2020 Calendar becomes the First Draft for 2021.
- ❖ The ACCSO Regulations 2020 remain unchanged for 2021, unless changes to the Laws require it.

Let's all hope for a much less fraught and relaxed season in 2021.
