ACCSO Treasurers Report 2021

It has undoubtedly been another difficult year with Covid-19 continuing to cause considerable disruption to the schedule and making it difficult for clubs and ACCSO to budget.

We were extremely pleased to receive generous sponsorship from Blevins Franks of two thousand euros, this along with very generous donations from a very small number of umpires and administrators have allowed us to show a considerable profit in 2021. I would like to thank Rupert and all at Blevins Franks for their support. I would also like to thank all those who donated travel, subsistence and other costs to ACCSO and therefore in effect to clubs, in Particular Adrian, Malcolm and Peter Townsend. These generous payments allowed us to make additional funds available to clubs struggling with taking part in the league, cup and T20. Competition entry fees were refunded to most clubs and additional payments for travel costs were made to those traveling to the T20 final.

I was privileged to attend the Blevins Franks cup final held at Damazan. Rupert had invited a select number of guests and I am pleased to report that the day went extremely well and was managed in a covid safe format. I would like to thank all at Damazan especially John and Sheila despite the fact on the actual day he was in hospital. John has since left hospital and I understand is recovering well. It would be extremely helpful to our sponsors if clubs are in any way able to assist in developing business for them. Perhaps we can give some thought as to how we could assist them in promoting the business. Please feel free to contact me if you have any ideas on this point.

As you can see from the accounts your association is currently in a relatively strong financial position but it is still uncertain how ACCSO is going to fund its activities longer term other than through increased contributions from member clubs in the future. However as you will be able to see from the budget we are expecting to break-even in the financial year ending 31 October 2022.

I look forward to the AGM in the new year and in the interim wish you a safe and happy festive period.
