## **ACCSO Treasurers Report 2022**

Peter Townsend's President's report covers the events of the year in some detail so I will try not to repeat too much in my report. I would like to thank Peter for returning to the ACCSO committee after the sad and untimely death of our friend Ian Brown (again more in the president's report). Peter kindly took over the interim presidency after I had acted as president for a brief time at the very end of Ian's illness and shortly after his passing. Both Rajesh and I are very grateful to Peter for his support and leadership at what was a difficult time.

We were extremely pleased to once again receive generous financial support from Blevins Franks. We also received generous donations via the tax scheme from administrators and umpires and I thank them all for their time and their donations. In addition, we had surplus balls left over from the covid period, all of this put together once again allowed us to show an extremely strong profit. I would like to thank Rupert and all at Blevins Franks for their critical financial support but we should be aware that while not likely to come to an end next year it is by no means guaranteed in the future.

I was once again delighted to attend the BF Cup Final at Damazan the details of which can be found in Peter's report. I would like to thank all at Damazan but especially John and Sheila for organising the day and laying on a great spread for our sponsors and the players. The day was a great success and I received extremely positive feedback from Blevins Franks. It would be extremely helpful to our sponsors if clubs are in any way able to assist in developing business for them. Perhaps you can give some thought as to how you could assist them in promoting the business. Please feel free to contact me if you have any ideas.

As you can see from the accounts your association continues to be in a strong financial position. However, we are now back to normality in-terms of the positive financial effects covid delivered to ACCSO in terms of our finances.

I look forward to the AGM and to seeing many of you then.
