Supplementary Regulation

Net Run Rate (NRR)

Version date: 20230310

1. **NRR (Net Run Rate)** will be used as and where required by the regulations in specific tournaments to separate teams which **either** finish with the same number of points **or** in the case of incomplete matches.

Note: In season 2023, NRR is called for **only** in the T20 competition. **See T20-specific regs.**

2. **NRR is calculated as follows:**

(runs scored divided by overs faced) minus (runs conceded divided by overs bowled).

3. This supplementary regulation has been approved by ACCSO Committee and replaces any previous ACCSO regulation.
