## **Disciplinary procedure applying to all competitive matches organised by ACCSO**

**Modifications to reflect the decisions taken at the AGM of 2 December 2023.**

- **Approved by ACCSO Committee on 6 January 2024.**
- **For review at ACCSO EGM on 10 February 2024**

**Effective date: February 2024 (following member-clubs' decision at AGM 2<sup>nd</sup> December 2023 against affiliation to FC in 2024)**

### **Modifications highlighted.**

1. All competitive matches organised by ACCSO. are played in accordance with the Laws of Cricket, 2017 Code (as modified periodically by the MCC) and subject to any local modifications specified in the current year's ACCSO tournament regulations.
2. Team captains are held responsible for their team's discipline, good conduct and respect for the laws and spirit of the game.

3. The umpires will be the sole arbiters of fair play (Law 2.6). In addition, Law 41.2 gives umpires the authority to consider as unfair any behaviour or actions not specifically covered by the Laws.

4. If the umpires detect any developing tension on the field of play, they will consult with the captains and remind them of their responsibilities.

5. A captain must respect – and ensure that his players respect – any remarks or requirements from the umpires.

6. Players must respect all umpiring decisions. Where player(s) do not do so, or show verbal or physical dissent, the umpires will call “Dead Ball” and will decide whether to de-fuse the situation or whether the circumstances warrant disciplinary action.

If the latter course is chosen, the umpires will inform the player(s) concerned, via their captain(s), that they will be reported. This will be noted by the umpires on the Match Report form, in order to alert ACCSO.

The disciplinary report itself must be received by the Secretary of ACCSO within 48 hours of the end of the match.

The Secretary of ACCSO will inform the club(s) concerned that a disciplinary report has been received.

7. Where player(s) behave in a way likely to bring the game into disrepute, the umpires will call “Dead Ball” and will decide whether to de-fuse the situation or whether the circumstances warrant disciplinary action.

If the latter course is chosen, the umpires will inform the player(s) concerned, via their captain(s), that they will be reported. This will be noted by the umpires on the Match Report form, in order to alert ACCSO.

The disciplinary report itself must be received by the Secretary of ACCSO within 48 hours of the end of the match.

The Secretary of ACCSO will inform the club(s) concerned that a disciplinary report has been received.

8. In all reported cases, the umpires must make every effort to be specific about *when* the incident(s) occurred (in which over), together with the names of the batsmen on-strike and non-striker. The umpires will be expected to frame their report in the context of one or more of the offences detailed in the ACCSO Table of Offences and Sanctions (see Appendix. **Voir en Annexe pour la version en langue française**).

~~9. Reports of Level 4 offences (physical assault, etc., as defined in the Appendix) will, after preliminary validation by ACCSO Committee, be translated into French by ACCSO and transferred directly to France Cricket. will be reviewed by ACCSO Committee. After having made due diligence enquiries, Committee will aim to announce their decision within 10 days of receiving the complaint. Pending a hearing by France Cricket that decision, the players concerned **are not** eligible to play in competitive matches organized by ACCSO.~~

~~10. Reports of all other offences – including charges of conduct contrary to the spirit of the game or bringing the game into disrepute – will be reviewed by ACCSO Committee.~~

After having made due diligence enquiries, Committee will aim to announce their decision within 10 days of receiving the complaint. During this period the players concerned are eligible to play in competitive matches organized by ACCSO.

After having made due diligence enquiries, Committee will aim to announce their decision within 10 days of receiving the complaint

### **9.1. Pending announcement of Committee's decision**

- in the case of all other offences defined in the Appendix, including charges of conduct contrary to the spirit of the game or bringing the game into disrepute, the players concerned are eligible to play in competitive matches organized by ACCSO.

11. If ACCSO Committee find that the charges are justified, they will decide whether a reprimand is in order (with a warning as to future conduct) or whether to suspend the player(s).

In the case of suspensions, these will range from a minimum one-match ban on the player(s) concerned, up to the relevant maximum penalty laid down for level 0-3 offenses in the Appendix

Suspensions will take effect as from the publication date of ACCSO Committee's decision.

10. If ACCSO Committee find that the charges are justified, they will decide on the appropriate course of action, as follows:

ACCSO Committee will rule on the validity of such an appeal within 2 days.

If Committee does not agree that the appeal is valid it will inform the petitioner(s) of the reasons for rejection.

If Committee finds that the appeal has merit, the petitioner(s) will be informed and the suspension(s) will be put on hold pending the findings of an appeal panel as in paragraph 13 b low.

**12. 13.** Appeals **against Level 0-3 suspensions** will be heard by a panel appointed by – but independent of - ACCSO Committee. The panel, whose terms of reference will be set by ACCSO Committee, will be empowered to confirm, to increase or to quash ACCSO's decision. The panel's decision will be announced by ACCSO Committee and will be effective immediately.

**13. 14.** If any ~~interested party (player, club, umpire, other person, or ACCSO Committee itself)~~ player or club, **affiliated to an association sportive omnisports**, wishes to appeal against the decision of the panel, such an appeal may be presented to ~~France Cricket~~ **that association sportive omnisports**, according to the procedure described in Règlements Généraux des Compétitions Officielles of France Cricket (available on the ~~France Cricket Web site~~).

This will involve the translation – by the petitioner(s) - of all the case material into French.

A complete copy of the appeal (including the translated case material) must be sent to ACCSO.

If ACCSO receive copy of the appeal to ~~France Cricket~~ **the association sportive omnisports** before the panel's sanction comes into effect, ACCSO will suspend the decision of the panel; whereupon, pending a decision by ~~France Cricket~~ **the association sportive omnisports**, the player(s) concerned are eligible to play in competitive matches organized by ACCSO.

**16. 17.** The names of players who have been sanctioned and/or warned as to their future conduct will be communicated to the ACCSO umpiring community. This is solely to inform the umpires that any further incident involving that player during the next 2 (two) seasons is likely – at the umpires' discretion – to result in the player being reported again.

**17. The names of those players whose exclusion/expulsion is confirmed will also be communicated to the umpiring community, given that their names should never again feature on a team list for an ACCSO competitive match.**
